

CAREER GUIDANCE

DEVELOPING AND OPTIMIZING YOUR MENTOR RELATIONSHIPS

[Video \(32:59\)](#) | [PowerPoint](#)

In this session, we'll review the benefits of networking for career development, strategies for identifying who should be within your developmental network, and when, where, and how to identify those individuals. This session will highlight important strategies for managing your relationships with mentors and others within your developmental network.

NAVIGATING NATIONAL INSTITUTES OF HEALTH (NIH) PROGRAMS TO ADVANCE YOUR CAREER

[Video \(36:07\)](#) | [PowerPoint](#)

Find out which NIH funding mechanisms apply to you throughout your career. This talk covers many of the mechanisms that apply to PhDs and MDs (or equivalent research and clinical doctoral degrees), from graduate/medical school through your early-stage faculty years.

MENTORING: NIH AND THE NATIONAL RESEARCH MENTORING NETWORK

[Video \(51:00\)](#)

Mentorship is critical for the advancement of biomedical researchers. Join this session to hear about national efforts to advance the science of mentorship. This session will help mentors and mentees improve their practice and expand their mentoring networks to advance their careers.

JUMP STARTING YOUR RESEARCH PROGRAM FOR NEW FACULTY MEMBERS

All About Grants Podcast episode; 19:19 minutes | [Listen here](#)

This podcast episode provides guidance for new faculty for navigating the R01, R21, R03, and beyond to launch your research program.

Faculty Affairs and Professional Development in the Perelman School of Medicine have included several helpful professional development resources geared toward faculty in Penn's KnowledgeLink platform. Login [here](#) using your PennKey and perform a keyword search for "faculty."
