

WE WANT TO HEAR FROM YOUNG ADULTS LIKE YOU!

Contribute To Research That Will Help Other Young Adults

Researchers want to know which topics you think are most important to research.

ELIGIBLE CONDITIONS

- Attention Deficit Hyperactivity Disorder
- Autism Spectrum Disorder
- Communication and Language Disorders
- Learning Disabilities
- Intellectual Disability

DETAILS

- Looking for young adults between ages 18 to 24 years
- Participation is entirely online
- Compensation provided to participating youth
- You will answer personal questions about yourself and your experiences

INTERESTED?
