

# BIostatistics & Data Management Core

## Fee Schedule

### **BDMC hourly rates (7/1/2022 – 6/30/2023)**

If an investigator needs BDMC support following the initial, free consultation, a BDMC staff member will create a cost estimate for the requested services using our current hourly rates.

Clinical Data Manager	\$118
Senior Data Research Assistant	\$112
Data Research Assistant	\$88
Data Processing	\$48
Senior Database Developer	\$118
Database Developer	\$112
Research Biostatistician	\$173
Senior Biostatistician	\$123
Statistical Programmer	\$106
Senior Information Systems	\$112
Information Systems	\$88
IT/DM Manager	\$173
Senior Quality Assurance	\$118
Quality Assurance	\$88

These rates are for CHOP and Penn clients. The investigator will be billed for the agreed-upon services on a monthly basis. We only charge for the hours we actually spend. For internal CHOP clients, funds are transferred directly from your specified account. For Penn and external clients, purchase orders are requested.
