REMEMBER:
*Purple tube stool samples are stored at room temperature
*Blue tube stool samples are stored in the freezer
*Skin swabs are stored at room temperature

Important Things to Remember

- **Antibiotics**
  Please let us know if your baby is prescribed an antibiotic.

- **Questionnaires**
  These short surveys are emailed to you to complete at home.

- **Study Visits**
  - Visits occur at the CHOP main campus (Not at your pediatrician's office).
  - Visits are scheduled based on your schedule.

- **Sample collections**
  - Please complete the sheets attached to each sample bag. Include date, time and collection timepoint.

- **Courier pick-up**
  - Once all samples (3 stools and 3 skin swabs) are collected, please email themagicstudy@email.chop.edu to schedule courier pick-up.
  - Samples can be picked up within 90 minutes of notification Monday through Friday 9-5.
  - If you would like a pick up on Saturdays or outside of the normal window the study team can make special arrangements.
  - *Courier services are <u>not</u> needed for weeks 1-3 samples or antibiotic samples*. Please mail as soon as possible in the pre-paid shipping boxes.
